Forecast for Thursday 11 May 2023

Weather: Always cloudier across northern ranges where some lower cloud will feed in on northeast winds. Brighter in south with some sunshine, but showers breaking out, some heavy in the afternoon with a risk of hail and thunderstorms, mainly from Ben Macdui southwards. Showers easing fin the evening.

Chance of cloud-free hill tops above 800m: Ranging from 25% in north to 75% in south

Low cloud and visibility: Good or very good, becoming moderate or poor in showers, very poor within cloud with bases lowering 600m in showers, more extensively and lower down across the far north.
